sunset high school dallas, texas

. . even the mornings are different now.

we have awakened to the change within ourselves and its reflection on the school. the entire weight of social pressures has shifted and security can no longer be found in the comfort of a small circle of friends.

it is becoming all important to stand alone, to thrive on singular greatness.

dependence has failed to make us grow and the realization of this has caused the recognition of the self.

we have begun to see beyond to let ourselves become

touching and knowing this world has implanted the desire for change within us.

sunset and dallas and have begun citizens of a bigger world.

we almost shun tradition now, in search of fresher more relevant activities.

7

we no longer live the dream of a detached non-involvement with the outside. the knowledge of a larger life has only made for greater self-introspection and interpersonal communication.

life is now a part of us instead of just an encompassing reality.

For her many contributions to Sunset over the past thirty years, the Sundial staff dedicates the 1972 Sundial to Miss Mae Venable.

Miss Venable was the originator of Sunset's first drill team, the Sun Rays, which later became the Bisonettes. She is also responsible for the traditional Sunset formation which is performed annually at the Sunset-Adamson football game.

Each of us owes Miss Venable our deepest respect for her dedication to Sunset and to all Bisons present and past. for their outstanding teaching ability and the 1972 sundial staff tributes Jack

fine reputation among Sunset students, Roten, Lee Cochran, and Iris Farmer

I sure wish you would leave to spell my last name ught. (Some tres. you will be) HH! These past 2 pais have beer a lot of fun. We have become great friends during this time. we have a beg responsibility next year. We have to keep Betty infline. That will be the hardest part. To coin a phrase : "you can't teach an ald dog new tricks " & Geomese, I'm not comparing there is a sticking to a dog but there is a sticking resemblence sometimes. summer. 1213 Keep the 185 (Beren Sprict)

Fellow Bisons, undoubtedly, this year will be remembered as one of constant change. Day after day, we've faced new situations requiring personal adjustment. Among other things, life is a series of adjustments, and our individual and social success will be measured by our ability to adjust. No longer can we be spectators concerning social and racial problems. If they are to be conquered, we must confront them now. There can be no hope for tomorrow without true concern today — concern which not only sincerely speaks, but earnestly acts.

As I have said throughout the year, unity is the key to progress, and now — more than ever — we must unite in an effort to destroy the barriers which restrain us from social success.

In our society, so marred and bruised by man and his mistakes, the ultimate desire is no different today than it has been in civilizations past; that desire is peace. To achieve this, our generation has tried many things including entertainment, drugs and even violence. I must share with you now what I, along with many others, have found to be the answer to the quest for peace: this is a personal relationship with Christ. We cry for understanding; He is understanding. We cry for love; He is love. We cry for peace and unity - without Him there is none. It is my earnest prayer that you will search and find out for yourself that these things are true and can be applied to your life.

To some, a realization of this can mean a change in the future you begin today. To others, it can mean an avenue where you can find the solution to problems and the achievement of goals here at Sunset.

This has been true in my life these three years at Sunset, and it can be true in yours. To all faculty and students, I say thank you and "May the peace of the Lord Jesus Christ be with you now and forever."

Richard Loy President of the Student Body

Graduation from High School! A goal has been reached — a goal that once seemed so far away and yet arrived so suddenly that it's a little difficult to believe that the past three years have come and gone. Three years that changed us from teenagers to young adults, most of us old enough to vote in the next Presidential election. That makes us a first — the first class to graduate and have an active part in naming the leader of our nation.

Have the three years just past prepared us for such a momentous task and the many others yet to come? I think they have. Ours has been a time of change — we felt the first small waves of the "Future Shock" that is about to engulf us. Each year brought a new look, new sounds, new ideas — some easy to accept, others almost too "far out" to be "in."

It all sounds so serious, and it is — this business of getting an education. But, all of the education was not from books and classes. We learned from simply having fun in our world. The pleasure of making new friends from different backgrounds, cultures, and even countries. We learned to be individuals — make our own music — our own art forms.

Were the past three years important in your life? I hope so. I hope they will be remembered and treasured as a time when anything and everything was possible.

Dan Duncan

The privilege of education is given to each of us. As we invest in our future lives with the knowledge and truth given to us by our peers, we gain dividends of friendship, love, and memories that have been collected in this short lived time of our lives.

Each of us has experienced this love for the same things. The traditions, the people, and the events that have filled our lives are still bright memories. Pushing these memories still closer are the expectations of new loves and hopes.

Together at Sunset, we have all had to work for our friendships, for true friends are hard to find. The strong bonds that are created through high school friendships forever seem to strengthen in our minds and hearts. The mistake of forsaking these friends for new acquaintences is merely dissolving all that one has worked for towards happiness.

Sunset has enabled us to create strong bonds because Sunset is nothing without its students. The students themselves are the ties to friendship and love. Sunset is people. The people here have worked together, cried together, and lent a helping hand whenever one was needed. The one common bond for all here at Sunset is the Bison head, for under him we have walked together in knowledge, competed in pride, and laughed with love.

If all that I have said makes no sense to you, let me say this: Do not forget the many loves and friendships that we all have made for ourselves here at Sunset. I promise I shall never forget them!

God bless you all, Marty Boston

Sunset has, as well as our country, a period of recognizing our problems. Yet the problems will continue to plague and erode our institutions unless people are shocked into finding solutions. Recognition of our problems will not save Sunset unless it is coupled with the minds and incapabilities of every individual student, willing to remedy the situations.

Enthusiasm and fortitude as one participates will burst our problems of prejudice, apathy, uninvolvement, false pride, and ignorance. A willingness to explode these faults will unify our schools. Defeating our school and life frailties are your direct responsibility and the manner in which you deal with the problems will determine the final shape of Sunset and America.

For those of you who stay at Sunset and for those of us who confront life, I leave with this challenge: activism. Can you honestly stand by and let our way of life fall to ruination because you never acted? One may think he is a small component and he cannot make a difference; however, if every student would disregard that attitude the result would be total activism. Voice your opinion and find the truth and when you do, be headstrong until pride, dignity, and peace are restored to us.

- Pam Rymeus

Throughout our lives we experience many things, each of which contributes something to our personalities. I am glad to say that for me, attending Sunset was a worthwhile and enjoyable experience. Sunset's value comes from the way it makes you experience life, not from its academic environment. There are many problems with Sunset, with few visible solutions. Perhaps the problems are a product of the times or perhaps we exaggerate their importance because they are our problems. Even so we should strive to find solutions.

Often times we never realize the importance or value of someone or something until it is gone. So it is with our youth and its many experiences. Sunset is part of that youth and I urge you never to lose sight of the value of your youth. In many instances growing up means becoming less sensitive of caring less about the things that seemed important in youth. Apathy is an epidemic today. Even we, the youth, are becoming apathetic and when the youth cease to care, who is left? I believe that in order to live a happy life, every person needs to care about something or somebody. At least care enough about yourself not to be apathetic.

In leaving Sunset, I hope that each of you will take with you an attitude of concern, not only for yourself, but for your fellow man and the problems of the future.

Bison of the Year

This award is given annually to the senior student of Sunset High School, who, through qualities of leadership, loyalty, responsibility, and dedication to the ideals of the Bison tradition, has won the respect and confidence of those with whom he has been associated in his or her three years at Sunset. All of these qualifications are fully met by Miss Linda Fletcher, the winner of the 1972 STAMPEDE Bison of the Year award.

Bison Make Comeback Under New Head Coach

Sunset's opening game against the highly rated South Garland Colonels was a cut above spectacular. The Colonels scored on their first possession and were driving for another touchdown when linebacker Travis Cantrell turned the game around by intercepting a Colonel pass and returned it 48 yards to the South Garland 31. The Bison offense moved the ball to the Colonel's three where on third and goal, quarter-back Wayne Watts swept right end for the score. The extra point attempt was wide leaving the score tied 6-6.

The Bison defense jelled when necessary to prevent South Garland from scoring during the second and third periods. However Sunset's offense could not sustain a drive either.

Late in the fourth quarter Larry Spring intercepted and the Bisons muscled their way to the South Garland 8 yard line. From there, Bruce McCombs powered up the middle for the final score to upset South Garland 12-6.

The Bisons made numerous costly mistakes against Roosevelt. Offense drives were stopped by fumbles, penalties, and dropped passes.

The only highlight of the game for Sunset was the fantastic goal line stand by the Bison defense prior to halftime. The game remained scoreless until the third period when Roosevelt scored from the Bison 19. The Bisons failed to score in the final quarter.

Sunset put it all together against North Dallas and as a result shut out the Bulldogs 32-0. Jimmy Smith scored first after taking a 10 yard pass from Watts. McCombs' PAT was good. Junior defensive back John Horton scored two points when he wrapped up a North Dallas running back in the end zone for a safety. McCombs scored in the second quarter on a two-yard plunge.

After a scoreless third quarter the Bisons came on strong with Wilbur Smith scoring from the 2, Charlie Rameriz returning a pass interception 44 yards for the T.D., and McCombs kicking a 15 yd. field goal to end the scoring.

In Sunset's fourth game of the season, against Grand Prairie, the first half ended in a scoreless tie. In the third quarter Grand Prairie broke open their running game and put 12 points on the scoreboard. The Gophers were on the move again when linebacker Travis Cantrell picked off a Grand Prairie pass and sprinted down the sideline for a Bison touchdown. McCombs extra point cut the lead to 12-7.

The Gophers scored once again in the fourth period to increase their lead to 11 points. The Bisons made a gallant but unsuccessful effort to overcome the lead.

Crisp, Brown, and Berry watch as offensive team moves toward goal line.

The Bisons showed a lot of zip, zing, and foot-foot in the fourth quarter to wipe out the Woodrow Wilson Wildcats. The game was tied 7-7 at the half with Sunset's points coming from a 15 yd. T.D. scamper and point after by Bruce McCombs.

Woodrow struck first in the third quarter to take the lead 14-7. Sunset came back to tie the score when Watts swept right end from the 1 yard line and McCombs' kick was good.

Early in the fourth quarter Rameriz picked off a Woodrow pass to set up a McCombs 21 yd. field goal.

Sunset scored twice in the last five minutes to break the game open. One touchdown came on a 36 yd. pass play to Rameriz. The last touchdown came from an 8 yard run by James Berry with McCombs kicking the P.A.T.

The passing combination of Watts to Rameriz struck twice in the first half to give the Bisons a 13-3 halftime lead over the highly favored Kimball Knights.

In the third quarter the Bisons picked up where they left off with Jeff Christensen recovering a Knight fumble at the Kimball 29. Four plays later, Eddie Meza crossed the goal line from the one.

During the fourth quarter, Kimball's defense really looked bad when quarterback Wayne Watts hauled in a 33 yd. t.d. pass from halfback Dean Boatwright. Watts had pitched out to Boatwright, who then faked a sweep and passed to Watts left uncovered downfield. Bruce McCombs added the finishing touch by sprinting 47 yds. for the final touchdown.

In the first quarter it looked as if underdog Sunset would upset state ranked South Oak Cliff, but as the game progressed SOC came through with big plays and the winning score.

Sunset drew first when Watts hit Jeff Christienson with a 26 yard touchdown pass. McCombs' kick made it 7-0.

S.O.C. came back in the second quarter to score twice, and scored once more in the final quarter to end the game at 20-7.

Carter, ranked 2nd in state, overpowered the Bisons utilizing a powerful passing game with an unyielding defense. Sunset's only score came when in the 4th quarter when James Berry dove over from the 2. McCombs added the PAT.

The Bison defense proved to be the deciding factor in Sunset's stampede over Pinkston. Not only did the defense contain the Viking offense but also put 12 points on the scoreboard for insurance.

Bruce McCombs scored the initial touchdown in the second quarter. McCombs also added the extra point.

Travis Cantrell recovered a blocked punt in the third quarter for a safety. Three other scores came when in the third quarter: super soph. Walter Nobles recovered a fumble in the end zone for 6 points; McCombs kicked a 21 yd. field goal, and Joe Florence recovered a fumble in the end zone for a touchdown.

Travis Cantrell scored the final touchdown on a oneyard plunge. McCombs point after ended the scoring at 32-0.

To the Seniors on the squad the years had narrowed down to 48 minutes. That is probably why the Adamson game is always a hard fought contest. The adamson contest is also Homecoming for both schools and this year the game would decide whether Sunset would end up with a winning season.

Sunset scored first when halfback Larry Spring hit Jeff Christensen in the end zone from 16 yards out.

Bruce McCombs surprised everyone in the fourth quarter when he scampered 93 yards for Sunset's second touchdown. McCombs ended up with 145 yards in 11 carries. Richard Silva's P.A.T. made it 14-0.

Adamson scored twice in the second period to tie the game 14-14 at halftime.

In the third quarter James Berry carried the ball over from the four, and McCombs made the point after good.

Sunset held the Leopards scoreless during the fourth period to win the final game of a hard fought season.

the involved

To the students of Sunset:

The letter that follows explains the different clubs in this section. I think a lot of the people at Sunset actually do not know all the clubs available at Sunset.

The new name for the organization section is "the involved". People do not realize how involved some of the students at Sunset High really are. Then there is the vast majority of students who are not involved. There are nearly fifty clubs to which students can belong. The clubs vary tremendously. They start out with the organizations you try out for. These include Cheerleaders, Band, Bisonettes, Concert Choir, and so on. ROTC is the organization which trains men for armed forces. National Honor Society is the organization in which certain qualifications must be met.

Next we come to the publications section. It consists of Quii & Scroll, SUNDIAL Staff, and the Stampede Staff. These organizations have different requirements in order to become a member.

Service is our next section. It contains the clubs which offer service to the school and other places. The Student Council is a big part of our school. The representatives and alternates are elected in their advisories. Key Club, Come Alive, Y-Teens, Art Service, Flicker and American Field Service are other organizations of service.

The next section is Departmental. It includes Pan Am, Latin Club, French Club, Stage Band, Orchestra, Girls Select, Drama, Camarata, and FHA.

We also have special interest clubs. These include working organizations who come to school for half a day and work half a day. It also includes other clubs such as Medical Careers, Boys and Girls Woods & Waters, FCA, and Bowling. This concludes the long list of clubs.

To the Seniors, it is now too late for you to take advantage of these opportunities if you have not already. To the Juniors and Sophomores, all I can say is get "INVOLVED."

Organizations Editor Rhonda Lowry Cheerl

Cheerleaders 1971-1972

a d e r s

The cneerleaders are one of the most outstanding groups here at Sunset. They demonstrate leadership, enthusiasm, and Bison support in everything they do. Not only do they lead cheers during football season but at all other athletic activities during the whole year. Whether the results are victorious or not they continue to lead the Bison herd in their cries for victory.

Sunset will never forget the precision and fast-spirited marching of the Bison band as they brought us outstanding half-time performances at each one of our football games. The precision for which these members strive has won them many opportunities to represent Sunset in other activities. Many individual honors were awarded to band members for their outstanding musical ability. This band has brought much pride to the hearts of Sunset students.

The Sunset Bisonettes are not only delightful to watch, but are also a great help in promoting the spirit of Sunset. This year the Bisonettes made a great effort to keep the spirit of the football boys up for each game. The Bisonettes are a unit of love and devotion. "One big happy family" is the way one person described them. They take pride in the fact that they are wearing purple and white and representing Sunset everywhere they go.

THE SUNSET HIGH SCHOOL'S chapter of the National Honor Society was organized in 1928. The object of this organization is to stimulate a desire to render service; to create an enthusiasm for scholarship; to promote worthy leadership; and to encourage the development of character in the pupils of Sunset High School. Membership is based on scholarship, service, leadership, and character.

Being a Bison here at Sunset has meant a whole lot to me. When I first came here I did not understand what was going on. But I have learned to know and love Sunset. Sunset is a great school. Football, drill team, and other activities make it this way. I got the honor to be a Bisonette, which is the great organization in the purple and white uniforms. I would like to thank the Bisonettes for everything they have done for me. I thank you all for being so kind and helpful to me. It has been a great experience here at Sunset. I wish Sunset good luck in the future.

Asta Iudridadstir

Foreign Exchange Student

е p a m e n a

The Pan American Student Forum, a national and international organization, is a student club which hopes to learn more about all of the Americas and to foster cordial relations among the peoples of the Americas. The club's self-supporting through nominal dues paid by the members and is self-governing by its elected officers. The official motto of the club is "of one blood hath he made all nations."

This year the Sunset chapter of the PASF has initiated many projects to raise money. This money is used to support many state and local projects, such as "Pesos for Braces" and Texas Partners in the Alliance for Peru. Early in March our chapter sent 30 students to a state Convention in San Antonio. This convention enables its participants to learn leadership processes and to serve its fellow members.

The purpose of our fund-raising activities is to award one or two scholarships to Senior Spanish students to enable them to study in Mexico.

Man is the only animal that blushes . . . or needs to.

Danny, We made it through the year with Childen, finally, and we are still glives I so glad we had a chance to get to know each other even if it was in the elass of the school. You are the kind person that everybody wants a shance to know, you've got it be flaunt it.... I hope to see yo this summer and maybe nept year. not coule me a letter. Other eyear why Good Luck in whatever you do next year, and God Bless. you will always be in my fondest memories. Love ya shways Many Reeder Remember algebra 3-4 5R5 (Denior) 72, my address Childers Rm 111 May Reeder 5th period 207 Mt Melis Dallas 75211 3375669

governing bodies

1971-1972 has been a year quite different from any Sunset High School has ever known because of the changes in the Dallas Independent School District. It has brought its problems and its high points. I think we have become strong because of our dedication to the desire to see Sunset continue in its greatness. Each student had a part to play in the creation of a feeling of unity. Our Seniors have offered tremendous leadership. All students and our faculty have worked to see that education is held high in spite of changes in the world around us.

My wish is that you may take this feeling of unity and greatness with you wherever you go so your accomplishments in life will exceed your accomplishments this year. May you continue to show the spirit of all true Bisons.

Harold J. Filgo

The year 1971-1972 will best be remembered as the Year of Change. Everyone involved with the Dallas Independent School District made an adjustment in some way.

Sunset High School changed from I.B.M. scheduling to computer scheduling. Our traditionally conservative dress code changed to a more liberal code. Refreshments were made available in our study halls and Juniors and Seniors, with parental permission, could be released from study halls first and seventh periods.

This is the trend being exhibited throughout the United States and Sunset is not taking a backseat to the innovations of our rapidly changing society. It is imperative we made the changes.

Graduating Seniors, my deepest regret is that I have not had an opportunity to meet and know you individually. Please accept my best wishes for a most successful future in your chosen endeavor. Remember the successful person is one who can adjust to changes rather than be a stereotype.

Students who will be returning to Sunset in the fall of 1972, I charge you with the responsibility of meeting the challenges of future changes with optimism and vigor so that your educational experience may be extended to the fullest.

Percy Penn
Assistant Principal

Mr. H. S. Griffin — Associate Superintendent, called me into his office late one July afternoon; he was to tell me where my first administrative assignment would be. After a brief introduction and hand shake, Mr. Griffin asked me to be seated, looked at me in a very firm and serious manner, and said, "Mr. Knox, it is an honor to tell you that you are being assigned to my old school — Sunset High School — and it will be part of your job to help keep Sunset as grand as it's always been."

During this past year I've learned to love and respect the many things that make Sunset High School as grand as it is — its student body, faculty and staff, pride and traditions, Alma Mater, and of course, Bo Bison. Words cannot express how much this year at Sunset has meant to me. I can only hope that I've done at least part of my job by helping keep Sunset High School as grand as it's always been.

Charles Knox

EATON, IOLA; SMU, B.A.; NTSU, M.A.

Spirit, Knowledge, Friendship binds all Bisons together. The class of 1972 has met the challenge and responsibilities of our changing times. Soon we will say farewell to the Senior Class but you will always be in our heart. Sunset was a better school because you were part of it.

Sincerely, Iola Eaton

The only business of the home and the school is to fit youth for citizenship, to help them to organize their resources to encourage them to develop their potential, to direct their powers of conduct, and to prepare them for their social and physical world. To these ends the faculty of Sunset High School takes pride in being privileged to have a part in sharing experiences with the student members of our school community, in sharing the rewards of jobs well done.

Upon considering my personal association with the profession of teaching in the secondary schools, I look upon my experiences at Sunset as the pleasantest as well as the most rewarding. Teacher-student relationship has been a very happy one, many students becoming fast friends over the years; teacher-faculty relationships have also been pleasant, binding me to some few with emotions too deep for adequate expression. Both students and teachers have with their understanding, friendliness, and helpfulness made my sojourn in this our school one of joyous regret that my career is fast approaching a climax.

I feel, as all of us Bisons must, a sincere loyalty to our school, to the administrative staff who directs it, to the executive branch at 3700 Ross Avenue, who guides its curricula, and to the marvelous alumni who carry the name of Sunset High School into every nook of the universe. We definitely have fulfilled a preparative need in the world — else our students could not have succeeded so well; consequently we feel proud indeed to be a part of any success which leads its aura to those whom we claim, to those without whom we would be only second class.

May the best be the reward of each as he approaches the end of another school year, and may we end the year with a better understanding of the human needs of those about us, remembering always that "the measure of a man is man himself."

Sincerest regards, Kathleen Hood English Department

Dear Seniors:

It has been a pleasure to have been associated with so many fine young people.

My hope for you is that you will accept the challenge of bringing into being a better world, but no matter how you may change it, nothing can replace the love of friends, memories of happy occasions, the satisfaction of doing something better than anyone else and of completely dedicating yourself to a worthwhile cause until victory is achieved.

To love and be loved is the greatest happiness ever experienced by anyone.

Please know that I love all of you and wish for you God's greatest gifts.

The Board of Education and staff of the Dallas Independent School District are committed to providing a quality program for every boy and girl in the District. This philosophy includes all the children of all people, emphasizes the need to reduce dropouts, and provides each child a program suited to his needs.

This aim has not been reached, and many students have found the school irrelevant to their needs. The conditions which create problems must be attacked.

The purpose of developing these centers is to help children of school age find meaningful experiences in school.

Kanny, you little sex-pot you! I don't know where to begin you are really a very sweet and thoughtful guy who I really think alot of. you have a wonderful sense of humor and don't you dare livere lose it! I have really enjoyed having English with you this year. I hope we have a bunch god and you will never face. Keep the faith and I know that the will bless you. Have fun this Summer & Ill see you next year Jove always, stamp
of
pproval

BECKY Ray (your lover!)

(Kissy Kiss) approval Janny, Ta a great quy that has ever. Thing going for him. Danny you've been a great guy. Be good this summer.

this year has been a year of change for some of us, and a new beginning for us all. we have begun to realize that it is important to get someplace in this world, and that the only way to get there is to stand firmly for our individuality — yet strive for our goals together.

because we have just begun to understand this, we won't say good-bye this year — it really isn't necessary yet . . .

the bell go, but I enjoyed time to go, but this series the series of the it an Mouehouse I debie Javanare Autographs Downy, We've been friends through 3 years 3 Spanish and you are really one of the hest guys a person could ever know. I know we hid around a ead, but I still feel that you are someone d'ear alwerp talk & . You're sweet and kind and lovable and (remember the Eagle Scout bit?) our friendship means very much to me. Love you bunches, Mancy and broth with sing but pertinued god or or over your or or Lanny been mice

Love of the many hard them have been them to the second of Canny & really house in your friendship. you do know how your friends you will solly know how your friend fun to joke around which was a free around when your friends with a base some classes taxed to make your and all the holy is form a fact that you are a great trait you are a first with a small what what was a first you are a first a small small holds what what was a first you are some classes taxed on the holds what what was a first you are some one or push the friends with holds what when we will you are somewhat what when we have a small for surrect to just a small for surrect when the first you are somewhat what when we have some to just a somewhat which was shown in somewhat when you are somewhat you are somewhat when you are somewhat yo ment year. I'll deavier deavier de ment de press year server year. L'est de man de deavier de de ment de la press year. Meantiful person. De really enjoy you so much. I really cherish upour friendship. I hope the are able to become better friends year. Durish foryou a whole bunch of nappiness in the future. Doud duck this summer. english Together again ment gral, at will the The 3rd year getting the spriew of house a great & personality and neally leen of Correct M. 9,50

See of med you was seen for many you in hope you mad here pend this hope you mad been for met ye Danny

Clt has been funt
having you in spanish r

first period this year. I was the service the service of the Clark Curry, Dolf Pro #1 for '73 of the Sunset Goff Team Second Second Supra Charles

you are really a let's really lieen mice this year Joiose! But a ques etting to knowyou. you're a nice Ocan over-look Juy and al really appreciate our great priend to trendorup. I hope you nave a good summer and that ment year we rave and a lips alasses eram emas essor lem gou a whale together. God will continue to Bunch a work less you if you juildto Him. to wish you alo auch of all nay his peace continue to alider that you do. your Sister un ahrest, thylled wiley (James Danny, I can't begin to tell you how much your friendship has meant to me in the past years you are difficultely one of the Sweetest and nicest boup aroun Sunset today. I like ya alet and I know that were gonna have alot of fun next Softwar is the the transport of the soft o you I never could write as pretty as you, coulded? Good luck alway!

Dear, adorable, cute, Danny Danny, I glad you got to meet I have you, I have you, I me last year of this, love you! I can't bear it -a Pardon me for graques whole summer without you about "July Jew." Good well Nestyeal, you are so sweet and cherful your friend of Mine and funny-don't over change! Sterlin (STEVE PIERCE) Jours a doll! Don't ever forget our secret dove! Commy you are really so great. I'm Just Duns, were waiting on needlest pins for dond to po bornas; next year to come around! I can't magene. Be good - Love y place in fasus, to senow you and Secretary Carol Ca , one bound out that your a beautiand berson in side as well as out. I wish you were in Al coming years and may of allow. SRS. rove 73! Cindy D.

Danny after all the years that sieve known each other there is not much lost to say. Neive had a lot of laughs and shed a few tears. I want you to know that I really treasuril the years I've known you. I'm really looking forward to the trip this summer. I hank you four putting up with me and standing by me. you're the only "brother" I've ever had, but you're more than just that. you're a brother, briend, and boyfriend. I want you to know that in a very special way I love you very much. want the very best for you and I expect wreat things from you. Please don't ever disappoint ne. No matter how had things may get in the future remember that I'm always here and that the ord loves you. I'm sorry if I've ever made you mad or if I hart you in any way. I didn't mean

Love, Donna

P. S. Sorry this is so messy!

Danny open of party great of the desired and I have enjoyed their spanish with you. I hope your next year at Sunset millibre entity et m may at sloud book . toesp guerne uge alwang. Lavega, Susan. Danny, Hand we finally got to know lack. year. your a great person and I wish you all the good luck like can bring you. Be good but have fun... Danny fun knowing En Spanson,
It was the week have though tweether wenter wends. closses toesther be friends.
See you this summer is summer shows his start for the start of t hope that you receive the man and the second second with the second seco benuing faintaing is head to tome unit of the fair and the faintenance of the fair and the fair this summer. may god Bous and quide you numer of your many this summer, may be a fairly on the get to gether this summer, may be depended in its summer. one day you'd think mintoriumes would get time But them, time is our misfarture
